## CAREER HISTORY

### Freelance Frontend Developer

Self-employed | Nov 2017 - Present

Front-end web-design and development solutions which entailed working with clients on the best designs and layouts. Services included but was not limited to:

- Designing Websites using the React framework
- Responsive Web design (using SASS, Flexbox and CSS frameworks)

### Salesperson

Naturity Ltd | Sept 2016- Oct 2017

Naturity is a start-up family business which specialises in natural cosmetic products. I was responsible for the promotion and sales of the different products. Since this was a start-up company, I was also responsible for the administrative work

### Chef De Partie

Brew Cafe/Restaurant | Jan 2016 - Sept 2016

Within this job role I learnt to work within a team under extreme pressure. The role included but was not limited to:

- > Preparing, cooking and presenting dishes specified by the menu
- > Training any new demi-chef de parties or commis chefs on the job
- > Helping the sous chef and head chef to develop new dishes and menus
- > Monitoring portion and waste control to maintain profit margins

### Commis Chef

Brew Cafe/Restaurant | Aug 2015 - Jan 2016

## ACADEMIC HISTORY
